SANLORENZO SL 100

BROKER'S COMMENTS

"This Sanlorenzo SL 100 underwent an extensive 2024-2026 refit. The aft hull was structurally modified to accommodate a rebuilt and extended swim platform, and new teak decking was completed in May 2026. The flybridge gained a new hardtop, outdoor furniture and a service galley. Inside, the professional galley was fully renewed in 2025, while the four guest cabins and bathrooms were refurbished with updated finishes, lighting and fittings. Technical upgrades include new zero-speed stabilisers, a 370 L/h SeaMar watermaker and renewed tank level monitoring."

Flybridge	The flybridge features new teak decking (May 2026), new outdoor furniture and renewed upholstery. An extendable teak table seats eight, with flexible sofa seating, a daybed lounge with a large TV, sun loungers and a three-piece Sunbrella shade system. The new service galley includes a three-door drinks fridge, ice maker and coffee station. Decorative and disco lighting, a navigation station and bow and stern thruster controls complete the layout.
Level indicator (fuel tank)	Renewed during refit 2024-2026
Level indicator (freshwater)	Renewed during refit 2024-2026

Level indicator (blackwater)	Renewed during refit 2024-2026
Level indicator (greywater)	Renewed during refit 2024-2026
Flybridge helm position	yes
More info on hull	The aft swim platform was rebuilt and extended, with structural work to the aft hull to accommodate the extension.
Extra info	The exterior refit included new teak decking, a rebuilt and extended swim platform with structural hull work, new stainless-steel aft railings and shower fittings, and renewed mooring bollards and underwater lighting. The exterior was fully polished and the hull treated with International primer and Pro 350 antifouling. New deck furniture and renewed sun cushions complement a serviced crane and winch, a new chain wash system, and two 125 kg anchors, each with 150 m of galvanised chain.
