HACKER-CRAFT TRIPLE COCKPIT RUNABOUT

BROKER'S COMMENTS

"The Hacker-Craft Triple Cockpit Runabout is a timeless classic that combines elegance with exhilarating performance. Its beautifully varnished wooden hull and iconic design create an exclusive appearance, while the powerful 350 hp MerCruiser 383 V8 delivers impressive performance on the water. Equipped with an electric bow thruster and a recently installed engine with only approximately 100 operating hours, this Hacker-Craft is a stylish choice for enthusiasts of classic wooden powerboats. The Hacker-Craft is available for viewing by appointment in Loosdrecht."
