The 2006 Sea Ray 270 SLX is a luxury sporty bowrider almost 9 meters long, built for comfortable day trips, water sports and relaxed cruising with family or friends. This American quality boat is known for its deep V-hull, stable sailing characteristics and powerful MerCruiser engines. On board you'll find spacious seating, a sun deck, wetbar and plenty of storage space, making the 270 SLX feel both sporty and comfortable.
